Make a Splash - Read!

Ahoy Readers! Students in the first through sixth grades can once again participate in this summer's reading program at the Custer and Hermosa Libraries. This year's theme of "*Make a Splash - Read*" explores the world of water and water fun through books and activities about oceans, rivers, lakes, and pools, and the creatures who live there. In an effort to encourage students to retain their reading skills over the summer, the libraries have partnered with area businesses to offer prize incentives to readers they earn while reading for fun!

The Hermosa Public Library will be open every Monday, Wednesday, and Friday from 12:30 until 6:30 p.m. for participants. Custer County Library will be open Monday, Tuesday, Thursday, and Friday from 11:00 a.m. until 5:30 p.m., Wednesday from 3:00 – 7:00 p.m., and Saturday from 10:00 a.m. until 3:00 p.m. Special nature programs will again be provided by Custer State Park at each location. Reading participants in Custer & Hermosa can participate until the conclusion of the program on July 22nd.

The summer reading program will begin June 1st so be sure to register during the last week of May.
