

APPLICATION FOR ASSESSMENT RELIEF

This application is for a 20% assessment reduction for the taxable years 2018, 2019, and 2020 for acres affected by the Legion Lake fire in December 2017. The assessment reduction can only be applied to those acres affected by the fire.

In order to be considered for this reduction, you must return this application and maps clearly identifying the affected acres to the Custer County Director of Equalization no later than Monday January 29, 2018.

As the taxpayer applying for this reduction of assessment, you are responsible for making application and providing the maps and acreage information affected by this fire.
