Applicants are advised to consult with County Highway Superintendent phone 605-673-5678, **PRIOR** to construction if they have any questions with respect to siting an access approach and whether drainage structures will be required.

**Please attach a drawing or sketch showing the proposed location of the access approach and set stakes in the ground to enable the Custer County Highway Department staff to locate the proposed access approach.**

### OWNER/APPLICANT AFFIDAVIT

I, the undersigned, being the Landowner of record or an authorized agent of the Landowner signing as the Applicant, agrees to construct or modify an access approach and any required drainage structures for the property noted above in compliance with the Custer County Road Specifications and Terms and Conditions of the County Approach Permit (See reverse). I also agree that if I do not follow or my agent does not follow said specifications and terms and conditions, Custer County may construct or repair the access approach or any required drainage structures as needed and/or this Approach Permit will be revoked and associated access will be removed from Custer County's right-of-way whereupon I will pay all costs incurred by Custer County. I also agree that the access approach shall be considered EXPIRED if the access approach and any required drainage structures are not completed to Custer County's satisfaction within one (1) year of the date of this application.

I also agree that by accepting this Approach Permit, I agree to indemnify and hold harmless to the extent allowed by law, Custer County, its commissioners, elected officials, employees and agents from suits, actions, claims of any type or character brought because of injuries or damage sustained by any person resulting from the use of the access approach.
