Reserve Deputy Sheriff Job Announcement

The Custer County Sheriff's Office is preparing for a new Reserve Academy. Reserve Deputies typically work with full-time deputies along with working Special Events. Reserves who have passed appropriate training are also allowed to perform limited patrol duties. Reserve Deputies have the same authority as full-time Deputies while performing their duties. While the Reserve Program is a recruitment tool that could lead to a full time law enforcement career, it is also ideal for someone with an established career who wants to be involved in law enforcement, and to make a positive difference in their community.

Requirements: Must be at least 21 years of age. Candidates must have a high school diploma or GED Certificate: pass a comprehensive background investigation, have no prior felonies or simple assault domestic violence convictions. Have a valid drivers license upon application, an insurable driving history, complete a 120 hour Reserve Deputy Certification Course before being sworn in as a Reserve Deputy.

This is a Volunteer, non-paid position. Application period is open until filled.
